# Let's make a **TOY SNOW MAN**

HEY, YOU GALS AND GUYS!  
HERE'S A REAL CUTE LITTLE TOY  
SNOW MAN YOU CAN EASILY MAKE  
ON ONE OF THOSE WINTERLY DAYS,  
WHEN IT'S TOO COLD TO  
PLAY OUTSIDE!

## DIRECTIONS

1. Stuff the foot area of an old white cotton sock with cotton.
2. To form the head, take a few stitches with white cotton thread at the back of the neck.
3. Make a hat from a wooden thread spool. Ask a grownup to whittle off the top rim. Then paint the spool a bright color and glue on top of the head.
4. Sew on 2 small buttons for eyes—and 2 larger buttons on chest.
5. Sew in mouth line with black thread.
6. Glue on colored wooden golf tee for a nose.
7. Cut off excess leg part of sock at the ankle and fold under casually.
8. Your toy snow man is now finished. Set him on your dresser or living room mantle for a bit of indoor winter fun!

## MOUNTAIN CLIMBING GAME

For winter fun, lots of people like skiing, sledding, and ice skating! But Spike and Tyke prefer the excitement of climbing a real snow-covered, ice-capped mountain! Let's join in their thrilling expedition and see just who reaches the summit first!

Here's all you have to do—cut out the two circled numbers and glue them on each side of a penny. Now cut out the two markers labeled "Spike" and "Tyke."

Next, each player must select a marker and place it on the space marked "start." Now the first player flips the coin . . . if it lands with the 1 up, he moves his marker ahead one space—if 3, move 3 spaces. The player to reach the summit first wins the game! But remember, if you land on a space with special instructions, you must follow them exactly!
